becomes a part of the collective azkaar process because these collective actions (done by everyone at the same-time) works in cleansing the heart of the seeker; Just in the same way as mixing different ingredients and heating the biscuit-mixture in the oven - if to the biscuit-mixture If heat is not given for the specified time, it remains undercooked - in the very-same-way, the collective actions acts as an oven in the cleaning of the seeker's heart - The 3rd (third) advice, by dear Hazrat Shaykh Sb was that every seeker should consider himself, the most-needy of Allah's mercy. He should meet with the Shaykh and explain his situation to work-out on his azkaar-lessons - After Hazrat Shaykh Sb's, address, Hazrat Molana Shaykh Anwar-ul Haque Abbasi Sb, (Khalifa-Majaz and Head of the Evening-Program, Hidayah Academy, Karachi) asserted the attendees to strictly follow the daily schedule of the day.
